Charge Account Application

We would like to take this opportunity to THANK YOU for choosing United Airport Shuttle for your transportation needs and let you know what we require in order to set up a charge account. First, understand that this is a contract between United Airport Shuttle and your company. United Airport Shuttle is not contracting with the passenger therefore your organization is responsible for payment of services rendered.

Please notify United Airport Shuttle in writing immediately when you wish to change authorization. If United Airport Shuttle is not notified of these changes and transportation is provided, your organization is responsible for full payment of services rendered.

We greatly appreciate your business.

Company Representative/Applicant

Co-Company Representative/Applicant

United Airport Shuttle reserves the right to close said credit account when account is more than 90 days delinquent and will not hesitate to take legal action upon said applicant/company. It is also understood that accounts in good standing will not be closed until said company/applicant submits a letter of cancellation. Account holder will be responsible for all charges made by authorized passengers until letter of cancellation is received.

It is further understood that accounts will be paid within net 30 days. By signing this document, applicant/company has read and understands all terms and requirements to open a charge account with United Airport Shuttle and it is further understood that should your account be sent to an attorney for collection, all legal fees incurred will become the responsibility of applicant/company.
